Enjoy the spirit of Australia

AUSTRALIAN-THEMED games such as “toss the thong” will feature in Australia Day celebrations at Brookfield Retirement Village tomorrow (Wednesday).

The village’s 300 residents will come together to enjoy a traditional Aussie Day barbecue, lawn bowls and an Australian version of Trivial Pursuit while they celebrate what it means to be Australian.

Village manager Molly Whitehead said all the homes in the village were now sold, which meant there would be more residents than ever celebrating this year.

“Everyone gets into the spirit of Australia Day more than ever. We all have a lot to be thankful for,” she said.
